Omega Securities Inc. Announces Price Change to Lynx ATS

Omega Securities Inc. (OSI), the operator of Lynx ATS, is pleased to announce a new pricing schedule for the Lynx marketplace which has been approved by regulators. This change is designed to simplify the pricing structure and improve the experience on Lynx ATS for the entire trading community.

OLD Lynx ATS Pricing

TSX/Venture Listed Securities	ADD	REMOVE
TSX/Venture Super Dollar (\geq \$1)	\$0.00015/share	\$0.00015/share
TSX/Venture Sub Dollar ($<$ \$1)	-\$0.0001/share	\$0.0002/share
Max fee cap of \$3 per side for Super Dollar		

CSE Listed Securities	ADD	REMOVE
CSE Super Dollar (\geq \$1)	\$0.0014/share	-\$0.0012/share
CSE Sub Dollar ($<$ \$1)	\$0.0012/share	-\$0.0011/share

NEW Lynx ATS Pricing

ALL Listed Equity Securities	ADD	REMOVE
TSX/Venture, CSE, ETF Listed Securities	\$0.00/share	\$0.0002/share
Monthly remove cap of 25 million shares		

Unintentional Crosses \$0.00

The Lynx ATS will offer a remove cap of 25 million shares per month. All executions on Lynx in excess of this cap will be charged at \$0.00/share. The monthly cap is based on remove trading volume only.

With this new pricing model, Lynx ATS will reduce overall trading costs for active traders, by providing a cap we can offer subscribers cost certainty and an attractive model to lower marginal costs of trading. We further believe that the combination of a small spread and a cap will encourage a healthy trading environment and lower overall costs for traders participating.

These pricing changes will become effective on **December 2, 2019**.
